

Teaching Child Abuse Prevention

You are invited to attend this free training session:

“Preventing Child Abuse and Shaken Baby Syndrome (SBS)”

SBS is a form of child abuse that occurs when someone vigorously shakes a baby

Wednesday, February 1st, 2006
4:00pm-6:00pm

Lake Washington School District
L.E. Scarr Resource Center, Board Room A
16250 NE 74th St.
Redmond, WA 98052

Attendees will receive lesson plans, support materials and a video for use in their classroom.

Sponsored by Children's Hospital & Regional Medical Center,
Washington Council for the Prevention of Child Abuse and Neglect (WCPCAN) and Conscious Fathering
